Please complete this form and bring it along to Oaklands for the first day of your course (this will enable us to induct you into the Centre quicker).

All rooms have a toilet and sink, with several rooms also having a shower.

The dormitories in the Bert Jones Wing are en-suite (with shower rooms) and have been designed with wheel chair access in mind.

Rooms Naw (9), Pedwar (4) and Tri (3) have one 3 tier bunk bed, please consider who you'd allocate the top bunk to if it's needed.

*We have 1 optional fold down bed if needed, this can either be used in rooms 7 (better option) or 4. Please let us know prior to your course if you need this so we can set it out. Please do contact the centre if you've any questions.

Please ensure this list is updated if any students move rooms, as the room list may be needed to locate students in the event of a fire alarm.
